

TTS PRO Anthracite

TWILIGHT SWITCH INCL. TIMER

neva
lux

EAN 4007841089139

- Modern design harmonises with any architecture
- Twilight switch and timer combined in one product, for brightness and time-dependent switching
- Even more time-saving installation, as only one product needs to be installed
- Simple commissioning via the free Steinel Connect app
- Timer can be set via Nightmatic mode or with even more flexible timer schedules
- Functions as a timer in the Connected Lighting System with automatic summer and winter time changeover
- Permanently functioning light management even in the event of a power failure thanks to Real Time Clock and 7-day battery storage

38 x 95 x 95 mm
