

iFux CityStreet4 Connect 60W DN10 3K Master GPS

IFUX CITYSTREET 4 CONNECT

- The iFux CityStreet 4 luminaire is an intelligent and functional street light of the latest generation. It convinces by very good corrosion protection and best maintenance characteristics. It has an adjustable brightness for the main and orientation light as well as a built-in motion detector. Thanks to the integrated radio communication, an intelligent network with several lights can be easily set up. In conjunction with the neighbor function, the light precedes the user. Old luminaires can be replaced without rewiring. Variable candelabra diameters ensure universal use.

458 x 240 x 100 mm
